

**Rachael Cannon** is a student at King's Way College. We are excited to share her Current endeavors and success in building God's Kingdom.

I met Mike and Deborah about five years ago. I had just given my life to Jesus and been delivered from addiction. God continues to radically change my life! I am a second year King's Way College student, at King's Way Church in Irondale, Alabama, where I am also on staff as the women's pastoral assistant. In 2020 I purchased my first home which is a discipleship home for women. I also received my doctorate in Theology in August 2020, and hope to have my first book published soon. In 2020 I started my own business, Dodi Promotions, which helps support my women's home. Jesus Christ is the center of my life and every day I experience more of His love that made me a new creation.

I am so thankful for the Bailey's and how Ashlynn's life continues be a blessing to women like me!
