

**Anthony Colon** graduated from Highlands College Evening Program and now serves as the Small Groups Pastor at Revolution Church. We want to share the current impact he has made for the Kingdom of God this year.

My family and I had the opportunity to move to McKinney, Texas in the middle of March this year where I get to serve as the Dream Team and Small Groups Pastor at Revolution Church! We were “shut down” for nearly 9 weeks, but the church kept making an impact as we quickly developed online small groups and an online platform for people to watch our services from home and stay connected. Once we reopened on June 7<sup>th</sup>, we knew we were in a rebuilding phase of our church as we had 289 people come back on our first day open from our typical 750 person attendance. The following month, we would implement our inaugural SERVE day in July, followed by 1<sup>st</sup> Saturday SERVE projects in the months that followed, Freedom groups – where now over 40 people have joined and have taken their next steps to lead, and we have created multiple new teams to serve on Sundays! We have adapted to life in Texas, from online schooling for our children’s first month of school and now they are excelling in their elementary classes. Addison, our oldest, now serves as the youngest Dream Team volunteer at Revolution Church – making an impact by smiling and greeting guests to working with the toddlers on Sundays! We now have 40% of our people in small groups and serving on the Dream Team and have seen a huge increase in attendance with new families coming every weekend. We are right at 550 – in-person attendance, with thousands of people watching our Online Services. We live to LOVE GOD, LOVE PEOPLE, PURSUE EXCELLENCE, and CHOOSE JOY in everything that we do. With over 50 people baptized over the last 5 months and countless salvations, we know that God is up to big things here in McKinney, Texas!
